## Training Program Initial Criteria

### Necessary Requirements for Initial Certification

(For programs to be eligible, one of the following two criteria must be met)

1. Is the provider/program seeking WIOA certification currently approved or accredited under an existing process recognized by the State of Illinois?  
Yes  
**If yes, please check all types of accreditation and approval that apply.**  
 North Central Association  
 Illinois Community College Board  
 Illinois State Board of Education  
 Other(Specify)
2. Is the program for which WIOA certification is being sought been recognized as meeting industry approved standards such as Pro Start for food services, A Plus for computers and ASE for auto mechanics?  
No  
**If yes, identify the standard(s)**

## Training Program Basic Information

1. \* Program Name (For Providers Only, if you publish a course catalog, this name must match the one used in the catalog)  
(LPN) Practical Nursing
2. Program Description
  - a. \* Please provide a short description of your program. **For Providers Only, this description must be detailed enough so that your program can be identified with a Classification of Instructional Program (CIP) code. If you know the CIP code of your program, please type it in the space provided. If not, leave the data field for the CIP code blank.**  
The Practical Nursing Program is approved by the Missouri State Board of Nursing P.O. Box 656 Jefferson City MO, 65102-0656 The PN program curriculum is focused on preparing students in a range of hands-on patient care and administrative tasks. PN's can work in a variety of settings, such as hospitals, home healthcare, nursing homes, physician's offices and rehabilitation centers. Upon successful completion of the practical nursing program and contingent upon successful completion of the NCLEX-PN, students may seamlessly progress into the already existing Associate of Applied Science in Nursing Program (AASN) PN to RN Track.
  - b. \* If you know it, what is the 6-digit CIP code?  
513901
  - c. If there is a website that provides more program information, please provide the address.  
<https://www.sehcollege.edu/academics/lpn-practical-nursing/>
  - d. \* Training Program Type:  
Vocational
  - d. Registered Apprenticeship Type:
3. Is this a credit hour program?  
Yes  
**If yes, how many credit hours for program completion?**  
59.0  
What is the curriculum code for this program (if one exists)?
4. \* How many weeks does it typically take to complete this program?  
80
5. What is the total hours of instruction/classroom/lab time?  
1000.0
6. \* Other than employment, what is the primary goal of the program?
  - Associates Degree
  - Bachelors Degree
  - Certificate of Completion - Apprenticeship
  - Community College Certificate of Completion
  - Employment
  - Industry Recognized Certification
  - License
  - Measurable Skills Gain (Lead to Credential)
  - Measurable Skills Gain (Lead to Employment)
  - Other
  - Secondary School Diploma or GED

**If other, specify:**  
If Certification, License, or Registration, what is the name of the certifying, licensing, or registering body?  
Acc. Com. for Ed. in Nursing
7. \* **For Providers Only, please put a check in the box of each O\*Net Occupation code where this training program is offered.**  
 292061 Licensed Practical and Licensed Vocational Nurses
8. What are the program offerings? (Check all that apply)
 

<input checked="" type="checkbox"/> Full-Time Enrollment	<input checked="" type="checkbox"/> Part-Time Enrollment	<input type="checkbox"/> Internships
<input type="checkbox"/> Non-English Instruction	<input checked="" type="checkbox"/> Classroom Instruction	<input checked="" type="checkbox"/> Labs

\*\*Courses listed with asterisks require a B or higher, all other courses must be completed with a C or higher

### Total Semester Hours Required: 59

General Education (22)  
Practical Nurse (37)

## Admission Criteria

### ATI TEAS Testing Information

#### Direct Admission

- Students with less than 25 hrs of college credit
- High School transcript or GED/HiSET Equivalent
- Minimum TEAS score of 58%
- Cumulative college GPA of 2.50 on a 4.0 scale

#### Transfer Admission

- High School transcript or GED/HiSET Equivalent
- Students with 25 or more hours of completed college credit
- Cumulative college GPA of 2.5 on a 4.0 scale
- Minimum ATI TEAS score of 58%

**The following courses must be completed before being accepted into the Practical Nursing program:**

- AH 201 Human Diversity in Healthcare
- \*BI 151 Anatomy & Physiology I
- \*BI 152 Anatomy & Physiology II
- ENG 100 English Composition
- FYS 101 College Seminar
- MAT 101 Mathematics for Healthcare Professionals
- PSY 100 Psychology
- \*NUT 200 Health & Nutrition

*\*Course requires at least a grade of B*

## Program Goals

1. Graduate Practical Nursing students will achieve success on the licensure examination with a first-time pass rate of 80% or greater.
2. Graduate Practical Nursing students will, upon graduation, report being employed in a practical nurse position if they choose.
3. Graduate Practical Nursing students will complete the program of study on time.
4. Integrate best practices in nursing education to promote student success.
5. Cultivate, within students, the desire for inquiry and professional and personal development.
6. Educate students to become competent nurses who function as effective team members and make clinical judgments necessary for the provision of safe, quality, relationship-centered care.

## Student Learning Outcomes/Graduate Competencies

Upon successful completion of the Practical Nursing Program, the student will be able to:

1. Provide safe, quality, evidence-based, innovative client-centered nursing care to diverse patients across the life span.
2. Engage in clinical judgement that integrates evidence, nursing, physical and psychosocial science, to ensure quality healthcare and safety, and make relationship-centered care decisions within the scope of practice of the practical nurse.
3. Participate in collaboration and teamwork with the inter-professional team, the patient, and the patient's support persons in a systems-based care environment to provide and improve patient care and communication.
4. Integrate quality improvement activities and advocacy skills to enhance patient care.
5. Incorporate legal and ethical guidelines to enhance patient care within the scope of practice of a practical nurse.
6. Engage in personal and professional development within the scope of practice of a practical nurse.

## Tuition, Fees and Financial Aid
