**OPPORTUNITY FOR WORK**

The City of Eldorado has received a \$ 760,000.00 in Community Development Block Grant funding from the Illinois Department of Commerce and Economic Opportunity to complete the following project in the City/County of Saline County. Project Description:  
Rehabilitation of 2 existing rotating biological contactor units within the existing sewage treatment plant.

This grant will provide the City of Eldorado the opportunity to search for eligible local citizens interested in participating in the project.
